Dear [GPSGA members],

We would like to invite you to participate in the survey entitled “The Bilingual Experience” aimed at analyzing the relationship between demographic variables, bilingual language proficiency, multicultural personality traits, and experience of discrimination.

You were selected to be part of this survey because you are an international graduate student at OSU. We know that this is a busy time of year for you, but we hope that you will take some of your valuable time to participate in our survey. The study is online and lasts about 25 minutes. If you decide to participate, you can access the survey from the link below.

https://www.surveymonkey.com/s/bilingualexperience

As a token of our appreciation for your participation in the study, upon completion of the survey, you will be invited to enter your email address to take part in a lottery drawing. One prize of $100 will be awarded; the winner will be randomly selected from those who complete the study.

Your participation is strictly voluntary. You may refuse to participate or discontinue participation at any time without penalty. If you have any questions please contact Dr. Lilia D. Korol at lilia.korol@okstate.edu or Dr. Shelia M. Kennison at shelia.kennison@okstate.edu.

Thank you in advance for your participation!

Sincerely,

Liliia Korol
